

Rock Hill Marching Band Sponsors

2023-2024

Prosper, Texas is growing! The 2023-2024 school year will see the addition of its third high school.

Having another high school is fantastic, and we are excited for the momentum this will bring to PISD fine arts programs! This along with having been placed within the 6A competitive field, will bring a lot more opportunities, as well as more need for sponsor support. **We need you Texas!**

In our inaugural year of competition, this is what we accomplished: **placed 2nd in our first contest (also BEST Percussion! BEST Color Guard! BEST General Effect!); two weeks later at UIL Region we received a Superior 1st Division rating, and advanced to the UIL Area competition! At UIL Area we placed 6th overall...2 spots away from being able to compete for the State title! At BOA Regional competition in Waco, we placed 9th overall in a field of state finalist bands <---read that again, a top 10 finish in a Texas BOA competition in our first year of competition!** Additionally, Rock Hill Band hosted not 1, but 2 band competitions in our home stadium, where the kids competed and volunteered their help to create successful events.

In the *spring semester*, our **Indoor Percussion** ensemble competed in both WGI and NTCA, finishing 2nd at our first competition ever, and 2nd in Scholastic Open at the NTCA Championships! Our **Winter Guard** finished the spring semester as the **NTCA National A Champions** in only their first year of competition! And our **Wind Symphony** and **Symphonic Band** received **first division** ratings at Concert UIL locking up the schools first ever **UIL Sweepstakes Award!** The Rock Hill Marching Band is poised for excellence for years to come!

Even with all this under our belt, we are still at just the beginning of our journey. North Texas boasts many of the top 10 marching bands in the United States, and we have big aspirations to be in that upper echelon of talent and performance. To do that, we need amazing performances, and that means having the best talent putting our shows together, and going large with every aspect of production. Having support from local businesses is how we achieve this. **WE NEED YOU!**

We need the support of generous local businesses and families to bring it all together...more than ever before! The Rock Hill Marching Band needs your support to make the most of every opportunity we have this coming season to stay competitive in 6A at our smaller size, and to keep our winning momentum going!
